Collection: With its expansive backrests and deep seating, MBARQ by Sebastian Herkner envelopes users in privacy and protective comfort. Inspired by the traditional form of the indoor alcove, the modular collection gives structure to open outdoor spaces, defining areas in which to work, rest or engage in conversation.

Characteristics: Comfortable. Cosy. Enveloping. Intimate. Protective. Poetic.

3-seater: Featuring additional back cushions for even more comfort, the three-seater is perfect on its own or in combination with other elements of the MBARQ collection. Available with Dry+ cushion construction.

Frame: The frame consists of aluminum.

Finishing: The frame is electrostatic powder-coated in a color suitable to that of the fiber.

Frame maintenance: Clean with a soft cloth and warm water.

Cushion maintenance: Every cushion is removable and all cushion covers are washable at 30 °C.

Options: The 3-seater is available with high and low backrests.

Optional Dry+ cushion construction is available for MBARQ.
